

JUNIOR PLAYER & TEAM ORGANISER REGISTRATION PROCESS

GUIDE ON HOW TO SEND INVITES TO PEOPLE TO JOIN YOUR TEAM

Important points

Players (via their parents) & organisers are added when you invite them to join

Your own children can be registered but do not add all players as your own children. Parents need their own logins to manage all teams their children are involved in and see those fixtures

Parents can mark their children as available or unavailable for matches on the system, which is for organisers information only (not the Centre). You do not have to use this feature.

You can remove players from your team at any point. Keep in mind the transfer rule and limitations on re-registering players. If you need to remove organisers, please contact the Centre.
